

ATTESTATION OF COMPLIANCE

Proof of Continued Supervision no. 2021-05-26-01 - IOS-MAT-0003

In accordance with the provisions of the supervision agreement required within IKEA specification no. IOS-MAT-0003, version AA-10899-15 dated 2020-07-06 – Formaldehyde requirements of wood, wood-based and wood-like natural materials and products – Section 4.1.2,

Entwicklungs- und Prüflabor Holztechnologie GmbH (EPH)
Zellescher Weg 24, D-01217 Dresden, Germany

as IKEA-approved third party (supervising body) and IKEA-approved laboratory has

- (A) verified the accuracy of the formaldehyde emission test procedures and facilities used by the composite wood product manufacturer to conduct formaldehyde emission tests
- (B) monitored the manufacturers quality assurance programs
- (C) provided independent audits and inspections

according to Third Party Surveillance and
Certification Contract WBP-2020-01-01-01/2117062/2117128
and confirms that the material

Curved Layer-Glued Material with formaldehyde-containing glue “Birch curved layer-glued furniture parts” in the nominal thickness range of 7 mm - 12 mm

manufactured by
Plywood plant “Vlast Truda”

at its manufacturing site
**Pereulok Schirokij 31
442150 Nizhny Lomov, Penza region, Russia**

complies with the applicable IKEA formaldehyde limit requirements set forth in
IKEA IOS-MAT-0003 v15 Section 1.5.1.1 Table 5:

EN ISO 12460-3 = 1.2 mg/m²h

This evaluation is based on **Supervision Report 2118062/2021/01** dated **26 May 2021**.

The initial supervision agreement certificate no. 2020-04-14-01 is not renewed after each audit. **This proof of continued supervision is valid for 8 months.**
